A ACTIVE PARTNER

Active Partners are Premium-Partners or higher and have a **BAIO+ subscription**.

FIRST ORDER BONUS

A The First Order Bonus is the most **direct way of earning money** with Bonofa: Every initial order you sponsor will get you **10% commission on the turnover** (not on BAIO+ subscriptions).

In order to claim the First Order Bonus, you have to be Active Partner.

TEAM BONUS

A The Team Bonus distributes **30% commission**. It refers to BAIO+ subscriptions and distributes 5% down **6 levels**.

INFINITY BONUS

Q The Infinity Bonus amounts to **up to 19%** and is paid out on all your own and your teams turnovers (including BAIO+ subscriptions).

The percentage is based upon your own Manager Level. The levels can only be reached one after the other. To ascend you have to fulfil the criteria in the adjacent table.

1. The Qualified Manager Level is the level you will **keep forever**. For example, if you are a 5-Star Diamond Manager you will never be downgraded to a 4-Star Diamond Manager.

The Paid Manager Level is essential for the pay-out of commissions:

2. The Paid Manager Level is calculated based on the last 30days turnover. For example if you have "only" fulfilled the conditions for Bronze Manager in one month, the Infinity Bonus is paid on Bronze Manager Level.

In order to claim the Infinity Bonus, you have to be Qualified Partner.

FAST ORDER BONUS

Q The Fast Order Bonus distributes **16% commission**. Thus, you earn money out of your whole teams turnover **down to the 12th level** (not on BAIO+ subscriptions).
